4. Accept Canvas invitations (sent via email) to join your courses and prepare for the first day of class

Please note that class registration will take place concurrently with final exam week to allow enough time for students to receive their course materials and prepare for the first day of class. Students are encouraged to order all required books as soon as the book list is posted on Canvas, in advance of class registration.

Late Registration Fee: Steps 1-3 must be completed by the last day of class registration, otherwise a \$350 late registration fee will be added.

Final Exam Dates:

Final exams will be administered on Canvas during final exam week on the day & time a course is typically held. If a course is held twice a week (e.g. 1L courses held on Mondays & Wednesdays), the final exam date will be on Monday during final exam week.
